Booking a stay with Capfun implies the acceptance of our general sales conditions and GDPR. The reservation is confirmed once you receive your password for your personal Clix account. Personal information such as first name, last name and the age of all guests must be reported at the latest upon arrival. For safety and health reasons, minors without adult supervision are not allowed on the campsite. Any modification, in your file or in the reservation, must be notified IN WRITING. Spanish law requires us to request and keep a copy of a valid identity document (passport or identity card) at our Spanish campsites. This document is requested when making your booking or on the day of arrival.

Terms of payment

For bookings made at least 30 days before arrival, a deposit of 25% of the total amount for your stay and non-refundable booking fees must be paid. The price of the booking fees is between €10 and €30. The balance must be paid at least 30 days before arrival. For reservations made when the arrival date is in less than 30 days, the full amount must be paid at the time of booking. Any subsequent changes in the VAT rate, which occurred between the time when prices were determined and the billing of the stay will result in a corresponding change in the price including VAT. The cancellation guarantee is optional and payable at the same time as the down payment. The price of the cancellation guarantee depends on the booked campsite or residence.

Our prices include : Water and electricity (except for camping pitches and monthly rentals), access to the water park, necessary equipment for the number of persons in a mobile home or chalets (except additional persons), 1 car and access to free activities. A maximum of 6 people is allowed on our camping pitches.

Deposit

Upon arrival at the campsite or residence you will be asked for a deposit. This will be done by pre-authorizing a credit card.

1. Accommodation deposit :

When you leave, your accommodation or camping pitch must be in the same condition as it was at your arrival. If damage is found on or after your departure, you will be notified and the amount necessary for repairs will be deducted from the deposit.

2. Cleaning deposit :

At the end of the stay, the accommodations must be left clean and tidy (cleaned, dishes done, blankets folded, garbage taken out). Should a problem arise with the accommodation you have rented, you must lodge an objection ON SITE. All complaints about the inventory, condition or contents of the rented accommodation must be made known within 24 hours. If this period has expired, complaints will no longer be processed and you will be held responsible for any damage or missing parts upon departure. If the accommodation is not cleaned, we reserve the right to charge cleaning costs and deduct them from the deposit. You can have the final cleaning done by the campsite. The costs for this depend on the type of accommodation, see the FAQ on our website. You will still need to empty the refrigerator, throw away any other food or products that you are not taking home and take out the trash. Some campsites also ask for a deposit for the (Top Presta) pitches or other things such as the barrier badge, the rental of a barbecue or bicycle, etc. Ask the campsite for more information.

3. Our accommodations and services :

Taking into account the diversity of the accommodation range of Capfun, differences exist in the configuration, age and decoration of the

rentals. We remind to you that any request for a specific location is an additional service and does not constitute a contractual guarantee. In addition, any urgent work undertaken by the campsite or public authorities and that could inconvenience our customers on our campsites, cannot be held against us. Please note: before and after the summer period, some shops might be closed and some activities might be not available (inquire at the campsite).

Arrivals and departures

The rented accommodations are available from 4 p.m. to 8 p.m. The departure takes place before 10 a.m. or 12 p.m., depending on the campsite or residence. The pitches are available from 2 p.m. and must be free before 12 p.m. Inform the campsite when you plan an early arrival or departure. The pitches and accommodations are assigned based on availability and the assigned place can change at any moment until arrival.

In case of a no show on the day of arrival and without notice 24 hours in advance, written or per telephone, Capfun reserves the right to re-let the accommodation again.

After sales services

We cannot be held responsible for unforeseen events, cases of force majeure or climate catastrophes that would interrupt, stop or prevent the stay and the entertainment on the campsite. All complaints about the inventory, the state or the contents of the rented chalet or mobile home must be made within 24 hours ON SITE. When this deadline has expired, any complaints will not be considered and you will be held responsible on departure for any damages or missing parts. All other comments or complaints regarding your stay must be received within 10 days after the last day of your stay by registered letter at our headquarters. Our customer service will deal with your complaint within three months of receipt. If no satisfactory response has been received within 3 months, the customer can turn to the Médiateur du Tourisme et du Voyage, SAS MEDIATION – 222 Chemin de la Bergerie – 01800 St Jean de Niost – 04.82.53.93.06

Rules and regulations

Each campsite has its own rules and regulations that are displayed at the reception. As a client you must comply with these regulations. Please note: pets are prohibited on some of our campsites (they are banned everywhere around the pools, sanitary facilities and restaurants). If dogs are allowed, they must be kept on a lead at all times. Ask the campsite for more information. Vaccination records may be requested at any moment. Maximum 1 pet allowed per accommodation. Dogs in the first or second category are not allowed. Additional tents, vehicles or persons are not allowed without permission from the campsite. It is not allowed to charge electric or hybrid vehicles on our campsites. Due to safety and insurance reasons, the number of people staying in an accommodation may not exceed the maximum capacity of the accommodation (babies also count as a person). If the number of people exceeds the capacity, then the campsite has the right to refuse access to the accommodation. On some campsites barbecues are prohibited. Contact the campsite for more information. Any additional electrical equipment must be approved in advance by the campsite. Parents are responsible for their children on the campsite and the children must be supervised.

The water park

Wearing a bathing suit is mandatory in the pools (clothes, all-covering swimsuits and swimming shorts are not allowed for hygienic reasons), as well as wearing the campsite bracelet. Because we want to be sure that you are aware of any possible dangers, we ask you on arrival to sign a statement that you consent to the water park rules. Because of rules regarding hygiene, young children are required to wear swimming diapers. It is mandatory for children who cannot swim to wear inflatable armbands. Some water slides have specific conditions of use; this is the case for the Space Bowl, Twister, Tsunami, Crazy Cone and Magic Cone. Contact the campsite for more information. For insurance reasons, day visitors are not allowed to access the water park. The campsite may occasionally have to close a water slide or swimming pool in case of unforeseen technical problems that could lead to

problems with safety or hygiene. Access to the water park is strictly forbidden outside of opening hours.

Rental insurance

The tenants are obliged to take out insurance with an insurance company against the risks associated with their stay, namely: theft, loss or damage to personal property, or damage that is caused to the rented accommodation and furniture or the campsite, whether done intentionally or through negligence, by the tenant or any companions. Guests must be able to provide proof of this insurance and produce this proof on demand. Personal items, luggage, furniture, securities and vehicles are not insured against theft, loss or damage from any cause. If a bike is rented or loaned, customers are required to take out an insurance against theft, loss or damage. A deposit will be requested for each bike.

Withdrawal period

According to article L221-28 of the French consumer law, you do not have a right of withdrawal.

Important note

No brochure or website can be free of any clerical or typographical errors. Our prices are subject to change depending on economic and commercial conditions. The price stated on the rental agreement is binding.
